LYRICS

FIX YOU

When you try your best, but you don't succeed
When you get what you want, but not what you need
When you feel so tired, but you can't sleep
Stuck in reverse

And the tears come streaming down your face
When you lose something you can't replace
When you love someone, but it goes to waste
Could it be worse?

Lights will guide you home
And ignite your bones
And I will try to fix you

And high up above or down below
When you're too in love to let it go
But if you never try, you'll never know
Just what you're worth

Lights will guide you home
And ignite your bones
And I will try to fix you

TALK

Oh brother, I can't, I can't get through
I've been tryin' hard to reach you 'cause I don't know what
Oh brother, I can't believe it's true
I'm so scared about the future and I wanna talk to you
Oh, I wanna talk to you

You could take a picture of somethin' you see
In the future, where will I be?
You could climb a ladder up to the sun
Or write a song nobody had sung
Or do somethin' that's never been done

Are you lost or incomplete?
Do you feel like a puzzle, you can't find your missin' piece?
Tell me how you feel
Well, I feel like they're talkin' in a language I don't speak
And they're talkin' it to me
